

Mariner Updates

Please be informed RPS Group, Inc. will be retrieving Beacon Wind's metocean and LiDAR buoys to perform servicing onshore at Robert B Our Wharf in New Bedford, Massachusetts. Offshore supply vessel, MV **Josephine K. Miller (MMSI 367506560)** will be conducting the towing transportation of the metocean facilities to shore. The service visit is being planned for May 2nd-May 14th, 2023.

Josephine K. Miller
